### IMAGINE ME, IMAGINE ME, TOO!

The imagination is where everything begins! Spark your child's imagination with this high-quality Creative Dramatics class with expert teacher Judi Thomas. Judi has developed this class for over 25 years and has created a delightful environment where children explore creativity through interactive storytelling and improvisational games. Behind the excitement and fun of acting out the adventures of classic stories are the educational benefits of this program. The students gain self-confidence and learn to cooperate with others while stimulating their imaginations and enjoying physical exercise. Children must be able to leave their parents with ease. Imagine Me, Too!, for ages 6-8, will have more emphasis on characterization and acting technique.

## ADVENTURES IN LEARNING

Two outstanding enrichment programs for preschool-aged children are offered during the school year. The curriculum of each program is carefully designed to meet the developing needs of children, ages 3 and 4. Two qualified instructors per class provide a student-teacher ratio of 12:1.

Children who are enrolled in the program will have priority to continue in the Winter/Spring session, which begins in early January. For additional information, call the Community Recreation Center at (408) 615-3140.

### ADVENTURES IN LEARNING PROGRAM POLICIES

### LITTLE TENNIS & RALLYER CAMPS

Specially designed tennis nets, racquets, and low bouncing balls are used to provide an enjoyable learning experience for younger players. Several short breaks are taken so that students can regain energy and cool down. Little Tennis students will learn to recognize, demonstrate, and successfully hit the forehand, backhand, and serve. They will learn parts of the racquet and court, improve coordination, and motor skills (i.e. balancing, overhand throwing, catching, shuffling, etc.). Little Rallyers will work to improve their full court abilities through a series of drills and games. Ratio 5:1.

CSC has an established reputation with over 25 years of experience in the youth sports field in Santa Clara County. CSC currently operates 8 facilities throughout the South Bay, offering preschool motor development, recreational classes and boys and girls competitive classes. The partnership between the City of Santa Clara and CSC provides enhanced instruction, improved equipment, continuous education for coaches, various and progressive levels of instruction at convenient times, and gender-specific classes that follow current training practices within the sport. Sessions run "back-to-back" to provide continuity in training year-round. For more information about CSC, call (408) 615-3199. You can also check the website at [www.calsportscenter.com](http://www.calsportscenter.com), or talk to the coaches before or after class. For registration information, call the Community Recreation Center at (408) 615-3140.

## REGISTER NOW FOR MAY CLASSES

For May Gymnastics classes, consult the Winter/Spring 2015 Recreation Activity Guide. You may register online, or in person at the Community Recreation Center, Senior Center, Teen Center or Walter E. Schmidt Youth Activity Center now. For more information, call (408) 615-3140.

## LEVELS OF INSTRUCTION

Warm ups are essential in gymnastics. Students arriving more than 10 minutes late to class may not be allowed to participate that day. Parents are not allowed to stay in the facility during class time unless otherwise noted in course description.

**Parent-Tot:** Basic movement class based around fundamental gymnastics activities for young children that are not quite ready to go it alone. Parents must assist their child with class participation and should be dressed appropriately for activity. No siblings are allowed in the facility during class, unless supervised by another adult.

**Tiny Tots:** An introduction to all the gymnastics apparatus will be utilized, with an emphasis on creative movement activities and organized circuit play. Instructors will lead a warm up, followed by rotations around event & skill circuits, where students may learn a wide array of fundamental movements and positions.

**Tumble Tots:** This class is similar to Tiny Tots, with increased challenges based on the students' physical, emotional and social development. Class activities enhance strength, balance, and students may be reviewed for possible invitations to our team development program.

**Pre-Rec:** This class is an introduction to fundamental core gymnastics skills and the Olympic events. Instructors introduce specific skills and basic rec skills to prepare them for our recreational classes. This is a focused class that may provide the opportunity for team development.

**Boy's & Girl's Rec FUNDamentals:** Class activities focus around a skill card and learning to perform basic routines on the 4 women's and 6 men's events. In addition, trampoline skills, strength development and flexibility are integral parts for students at this level.

**Boy's & Girl's Intermediate I & II:** Students are required to pass the skills and routine evaluations of the previous level, and must receive approval from staff member before moving into this class.

**Boy's, Girl's & Coed Advanced Rec:** Students enjoy learning increasingly challenging skills equivalent to our compulsory competitive levels. This class is designed for students who do

not wish to do competitive gymnastics, but want to develop more advanced skills.

**Tumbling & Trampoline:** Students learn skills progressively from basics up through flipping skills. Safe trampoline use is emphasized.

**Team Development Classes, SUPERKids or Pre-Team:** SUPERKids

is an invite only class for students, ages 5-7, who our staff feel should begin training for eventual competitive team. Pre-Team is an invite only class for girls, ages 6-16, who our staff feel should be on our competitive team. Call (408) 615-3199 for more information about team development and CSC competitive teams.

## SWIMMING INSTRUCTION

Trained instructors teach the fundamentals of swimming and water safety. Half-hour lessons are offered at Montague and Warburton pools. All pools are outdoors; pool temperatures are subject to weather conditions. Students will be tested at the first class to determine their instruction level. Children who have not taken swim lessons since last summer may test into a lower level than what they tested at last year.

If your child is tested at a different level than was registered for, they will be asked to switch classes. Accommodations will not be made for children enrolled in the wrong class.

**Parent & Tot 1 & 2:** The parent works with the child in the water while the instructor provides supervision and guidance. The goal of this class is to introduce children to water adjustment skills in a safe and friendly environment. This class is not intended to teach children how to swim. LEVEL 1 is for children 6-24 months of age who have had little or no previous water experience. LEVEL 2 is for children 2 to 4 years old who have had 2 or more previous sessions in the water; submerge reluctantly or not at all; require floatation support at all times; or who may benefit from parental support in the water. There must be one parent per child in the water with both levels.

**Starfish:** This is a beginning class for children age 4 to 6 who are comfortable being in the water without parental support and have little or no aquatic experience.

**Sea Horse:** This class is for children age 4 and up who are able to put their face in the water, blow bubbles and float on their backs and fronts with assistance. Children will learn to float on front and back without assistance; glide on front and back without assistance; swim on front and back for 5 yards.

**Sea Turtle:** This class is for children age 4 and up who are able to float on their front and back independently and swim 5 yards using correct freestyle and backstroke. Children will be introduced to elementary backstroke.

**Manta Ray:** This class is for children age 5 and up who are able to swim 15 yards using correct freestyle and backstroke. Children will be introduced to treading techniques, breaststroke and head first entries.

**Sea Lion:** This class is designed for children age 5 and up who are able to swim at least 25 yards correct freestyle, backstroke, breaststroke, elementary backstroke and enter water headfirst. Children will be introduced to the butterfly stroke and flip turns.

**Dolphin:** This class is designed for children ages 6 and up who are able to swim at least 50 yards correct freestyle, backstroke, breaststroke, elementary backstroke, perform dolphin kick for 15 yards and be familiar with front and back flip turns. Students will work on refining their strokes.

**Shark:** This class is designed for children ages 7 and up who are able to swim at least 100 yards correct freestyle, backstroke, breaststroke and elementary backstroke. Students will be introduced to survival techniques and swimming distances up to 500 yards using all strokes.
